Prayer for Favourable Weather

God our Father, we turn to you, the source of all goodness and grace. We come before you with humble hearts, seeking your divine intervention in the rhythm of the seasons. Bless us with the favourable weather which we so badly need at this time, especially for our farming community and all others whose livelihoods depend on it. Grant them strength and perseverance in their work. In their labour may they find solace and fulfilment, knowing that their efforts contribute to the well-being of our communities. Bless them with resilience in the face of challenges and grant them moments of peace amidst the storms of life. Help us, as faith communities, to support and uplift them, recognising the vital role they play in sustaining life. Guide us, Lord, to be mindful stewards of the earth and compassionate neighbours to those who cultivate it. May your loving presence be a beacon of hope and strength for all. We ask this through Christ our Lord. Amen.

Saint Vincent De Paul Hidden - But Still Among US: Prisoners are easy to forget. Locked in institutions, they seem to disappear from society's sight. But prisoners still belong to the society that incarcerates them. Most will eventually be released, and the experience they have in prison will greatly affect their ability to adjust to life 'outside' as law-abiding citizens. The Society of the St, Vincent de Paul have a panel of people that visit inmates in Midlands and Portlaoise Prison. If you wish to be involved, please text 0860462405.
